To Whom It May Concern.,

New Hampshire Vocational Rehabilitation is happy to share the updated Interpreter Fee Schedule. This schedule will be effective for two years and then will be updated. Over the past year we have been working with stakeholders to update this fee schedule to have more alignment with current costs for interpreter services. The new schedule takes effect on June 1, 2019.

Our interpreters are critical to the citizens of New Hampshire to allow for communication access to all parts of our society.

Please share the attached fee schedule with interested parties, and in particular, with any interpreter you may work with who provides interpretation skills.

Sincerely,

A handwritten signature in cursive script that reads "Lisa K. Hinson-Hatz".
